

Block Option:

- **Aerial offers a Block option for customers that want to prepay for a “Block of Time”. Aerial provides a ten (10) hour block of time based on a \$45.00 hourly rate.**
- **This option is not based on an annual period with all remaining time carried over to the next calendar year. Monthly statements will be mailed to the customers showing usage and the current remaining time.**
- **Volume products and/or services will be quoted on a case by case basis providing an accurate cost effective price to our customers.**
- **Aerial is open to discussions regarding other service options to meet customer requirements.**
- **Billing is based on one half hour increments.**
